Back-Office Solutions
Healthcare

With accuracy efficiency and
economy you can trust.

ARE YOU FACING THESE?

- Front desk busy attending patient calls
- Patient 'NO SHOW' hampering your practice
- Frequent recruitment and training of Admin Staff
- Are you spending more time on your Practice administration than patient care?

Explore the Med DataCare Pro
Advantage

ABOUT US

Founded in the year 1999, Med DataCare Pro is the preferred choice of healthcare outsourcing and data management services for healthcare providers.

Combining unparalleled experience and capabilities across Medical Transcription, Healthcare Data Management, Medical Coding, Billing and Revenue Cycle Management Services, Med DataCare Pro collaborates with its clients to help them become more focused on patient care.

MDCP provides healthcare professionals a unique combination of packaged services which includes EMR, PMS along with its services. This empowers you with all your solutions under one roof and builds a hassle free practice.

Med DataCare Pro's Vision

“Let the Healthcare professionals do what they do best – Care for lives

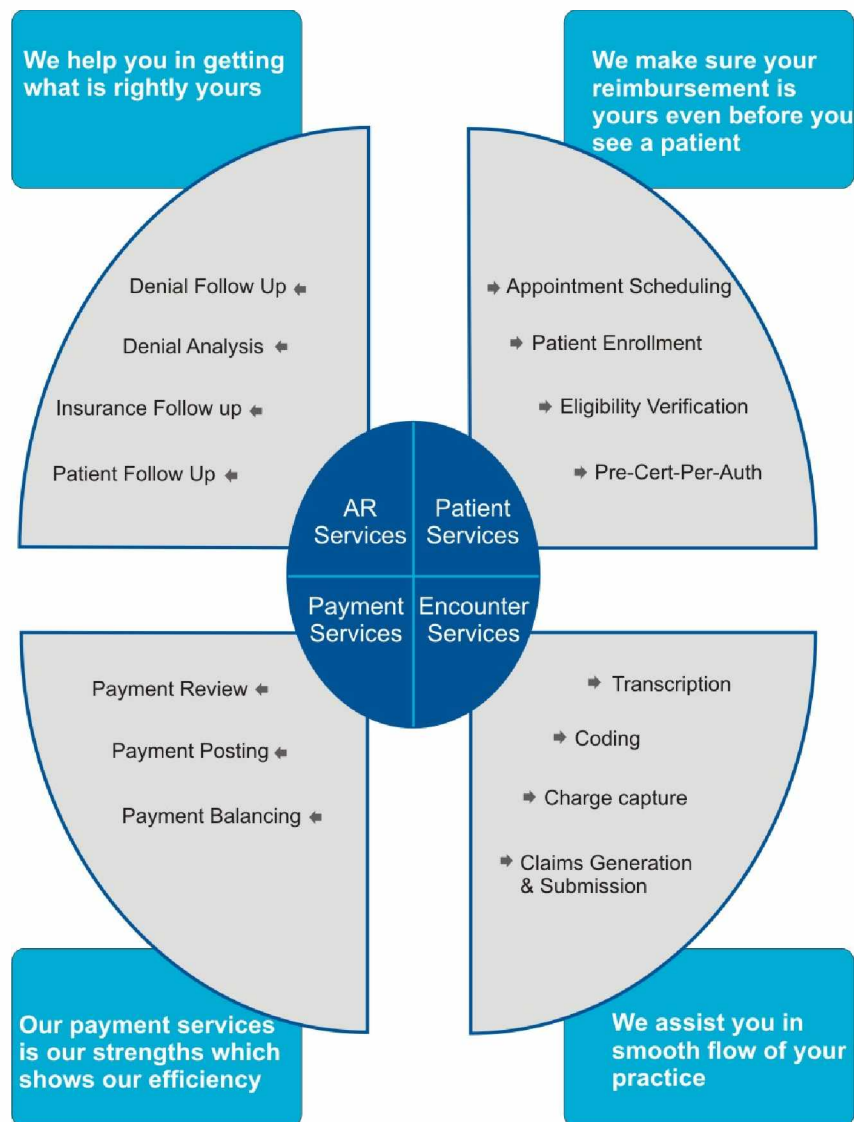

And do what we do best – Care for their reimbursements”

We are committed to being the “one stop solution” organization for all providers.

SERVICE OFFERING

We at MDCP are committed to provide our clients end-to-end medical billing to extensive reporting, we customize our services to your practice's specific needs. Our all-round service includes following:

- Data Conversion
- Medical Transcription
- Medical Billing & Coding

“Are you planning to memorize over millions of codes?”

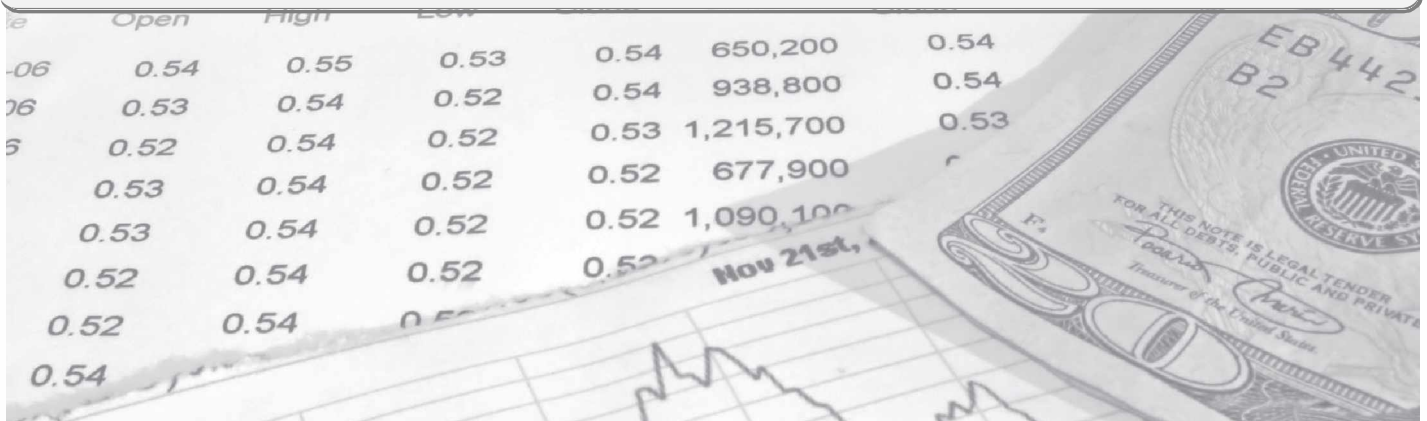

OUR TEAM

Skilled and trained people are the assets on which Med DataCare Pro thrives. Our deliverables assure quality due to the contribution of our 250 members who are well aligned to our organizational goals and the need of our 'providers'.

We are proud of our meticulous training department which helps our Human Resource supply manpower within 3 weeks of requirement.

PRICING

MDCP boasts of the highest quality standards at the most competitive pricing.

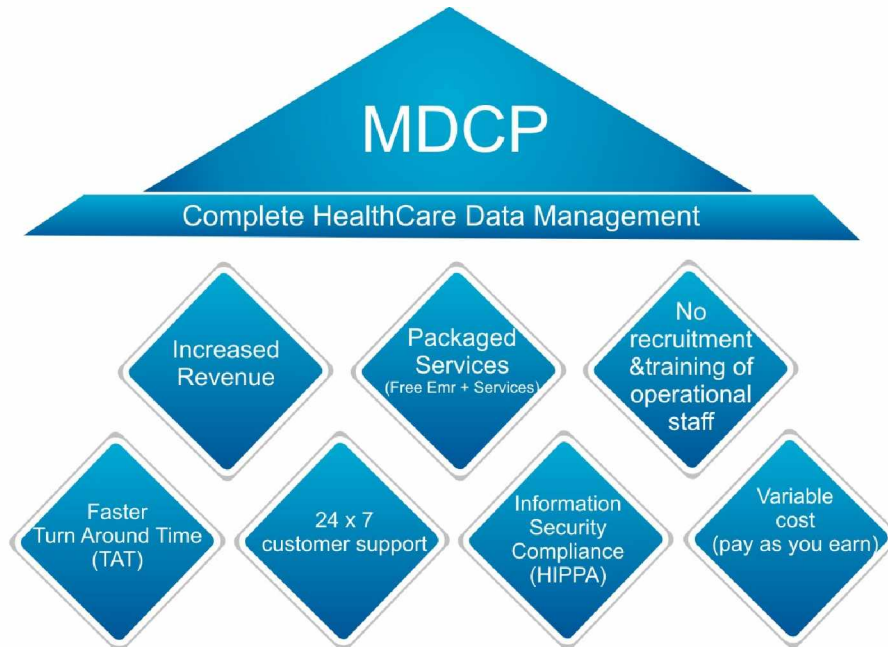

We help our clients save operational costs, recruitment costs and IT maintenance costs.

Our expertise and dedicated team enhances your reimbursement by an average of 32% with faster payouts.

We are confident about our services thus link our earnings with the practice's performance. You pay us a certain percentage of your earning depending upon your specialty.

“Have problems with mounting claims in your AR?”

ADVANTAGES

OUR TECHNOLOGY OFFERING

MDCP provides service along with our EMR. This software is a complete solution with EMR and PMS integrated. It can be customized as per your specialty and requirement.

Bundled with this it can also bring the \$44,000 stimulus for your practice with its CCHIT certification.
